Dear TopHAT Employees,

I cannot begin to tell you how grateful I am for all of your help and backpacks you contributed to our school supply project! The backpacks were unbelievably generous and the help in packing up supplies cut our packing time by at least a day! Mrs. Kubly shared with me that the best moments of supply pick-up this year were watching the kids pick their very own backpacks. She said they would stand with wide eyes, bouncing with anticipation and then hug the backpack they chose. How amazing to know that you have given such joy to kids who would have otherwise started the school year with anxiety and fear from a knowledge that they don't have what the other students have.

A project as large as this is not possible without help from our community and we are thrilled to say that our churches, businesses and local citizens have gone above and beyond in their willingness to assist. I hope to contact you next year and perhaps work with you again!

Please remember that donations to our school are tax deductible!

Thanks again for all of your support,

Julia Adams
School Supply Project Coordinator
